

Overview

The NQual Level 2 Diploma in Care qualification is designed to provide learners with knowledge and skills relating to care practices. It will provide individuals with the chance to develop knowledge and gain skills to seek employment or progression onto higher level qualifications.

The purpose of this qualification is to prepare individuals for employment and progression in the care sector. The units specified within this document cover a variety of areas and topics relevant to the sector.

NQual have produced more optional units to allow learners to tailor their qualification to best fit with their expected outcomes and career ambitions.
