

## Centre Approval

To become an NQual International Approved Centre, you will need to complete the International Centre Approval Process.

The International Centre Approval Fee includes the approval of either one Endorsed Programme or 3 NQual Ofqual Approved Qualifications.

NQual International Centre Fees are split into regions based on the World Bank's statistics. These are updated every year and can be found within this document.

### Qualification Fees

Qualification Fees can be found on the NQual website on each qualification page. Qualification Fees reflect registration cost, sampling and the cost of an e-certificate. Initial registration fees are non-refundable.

<b>Late Enrolment fee</b>	<b>£25 per learner</b>
---------------------------	------------------------

Late enrolment fee is applicable to Ofqual Regulated Qualification and includes:

- Learners on programmes up to and including 6 weeks in length, must be enrolled within 30 days of the programme start date.
- Learners on programmes where the duration is longer than 6 weeks, must be enrolled within 60 days of the programme start date.

### Unit Only Registration Fee

<b>Award</b>	<b>£20</b>
<b>Certificate</b>	<b>£25</b>
<b>Diploma</b>	<b>£35</b>

### Additional Information

NQual do not have hidden fees. If you would like to discuss the Centre Fees, please contact NQual.
