

NQual is an Ofqual Approved Awarding Organisation based in the UK.

NQual is proud to work with International Centres, providing Ofqual Regulated Qualifications and NQual Endorsed Programmes. NQual provides the same high-quality service for both UK and International Centres.

### Ofqual Regulated Qualifications

These qualifications are Ofqual-approved and fully regulated by Ofqual. To offer these qualifications as an International Centre, you must follow robust processes and ensure procedures are in place to provide high-quality delivery.

### Endorsed Programmes

These programmes are quality-approved by NQual. To offer Endorsed Programmes as an International Centre, you must demonstrate high quality in your delivery and processes. Endorsed Programmes not developed by NQual. NQual will review the programme and ensure it meets high-quality standards of delivery.

Both Ofqual Regulated Qualifications and Endorsed Programmes are subject to NQual Annual Quality Assurance.

International Centres can apply to offer either Ofqual Regulated Qualifications, Endorsed Programmes, or both.

### Certificates
